INDEX TO VOLUME 116

A

Abscess of the Liver due to Anaerobic Nonhemolytic Streptococcus, Primary, 217; Pulmonary, 373.

ACKMAN, DOUGLAS: A Practical Concept for the Treatment of Major and Minor Burns, 641.

Adamantinoma, Hemisection of the Manidible for Recurrent, 277.

Adenolymphoma of the Parotid Gland, 43.

Adrenal Associated with Hypertension, Adrenalin-Producing Pheochromocytoma of the, 54.

Adrenalin-Producing Pheochromocytoma of the Adrenal Associated with Hypertension, 54.

ALTEMEIER, W. A.: Cysts of the Spleen, 98.

Amputation, Spontaneous, 155.

Anatomic Approach to Pulmonary Resection, 782.

Anesthesiology, Posterior Pituitary Extract in, 898.

Aneurysm, Arteriovenous, Involving the Left Innominate Vein and the Left Common Carotid Artery, Successful Closure of an, 700; Complicated Case of, Involving the Iliac and Femoral Arteries, 708.

Announcement of Fellowships in Medicine and Public Health, 597.

Appendicitis Operations, Drainage and Wound Closure Technique in, 435.

ARIEL, I.: Metabolic Studies in Patients with Cancer of the Gastro-intestinal Tract, 924.

Arm (Right) Thrombosis and Gangrene of, Associated with Polycythemia Vera: Its Relation to "Effort Thrombosis," 184; Lymphedema of the, Following Radical Mastectomy for Carcinoma of Breast, 816; Malignant Teratoma of the, 948.

Arteries, Femoral and Iliac, A Complicated Case of Aneurysm Involving the, 708.

Arteriovenous Fistula, 470.

Artery, Left Common Carotid, Successful Closure of an Arteriovenous Aneurysm Involving the Left Innominate Vein and the Left Common Carotid, 700; Occlusion of the Portal Vein and Hepatic, 833.

Astragalus, Less Common Lesions of the, 891.

ATLAS, LAWRENCE N.: A Complicated Case of Aneurysm Involving the Iliac and Femoral Arteries, 708; Sympathetic Denervation Limited to the Blood Vessels of the Leg and Foot; II, 476.

Atraumatic Fascial-Suture Needle, 315.

Atresia of the Duodenum, 334; Of the Small Intestine, Multiple, 337.

AUCHINCLOSS, HUGH: Drainage and Wound Closure Technique in Appendicitis Operations, 435.

B

BABCOCK, W. WAYNE: Temporary Occlusion of the Portal Vein and Hepatic Artery, 833.

Bacteriology of the Common Bile Duct in Comparison with the other Extrahepatic Segments of the Biliary Tract, A Study of the, 360.

BALKIN, RUTH B.: Adrenalin-Producing Pheochromocytoma of the Adrenal Associated with Hypertension, 54.

Barbiturates, A Study of the "Shock-Delaying" Action of the, 658.

BECK, CLAUDE S.: An Intrapericardial Teratoma and a Tumor of the Heart; Both Removed Operatively, 161.

BEECHER, HENRY K.: A Study of the "Shock-Delaying" Action of the Barbiturates, 658.

BELLIS, CARROLL J.: A Punch for Cutting Cottonoid Sponges for use in Neurosurgical Operations, 318.

BERGER, LOUIS: Primary Carcinoma of the Duodenum, 738.

BERRY, FRANK B.: Cardiocirculatory Dynamics in Surgical Shock, 127; The Effect of Pneumonectomy upon Cardiopulmonary Function in Adult Patients, 532.

BETTMAN, RALPH B.: Cholecystectomy without Drainage, 928.

Bilary Tract, A Study of the Bacteriology of the Common Bile Duct, in Comparison with the other Segments of the, 360.

BLADES, BRIAN: The Anatomic Approach to Pulmonary Resection, 782.

Blood, Observations of the Failure of Heparin to Inhibit the Clotting of, (*in vitro* by Staphylococci), 430.

Blotner, Carl: Sliding and other Large Bowel Herniae, 394.

Blum, Lester: The Use of Myotomy in the Repair of Divided Flexor Tendons, 461.

Book Review: A Manual of the Treatment of Fractures, Reviewed by Walter Estell Lee, 320; China's Health Problems, Reviewed by Walter Estell Lee, 960; Intestinal Obstruction, Reviewed by Walter Estell Lee, 640.

Books Received: 800.

Braund, Ralph: Sacrococcygeal Teratoid Tumor, 76.

Brazilian Congress of Orthopedics and Traumatology, The Fifth, 480.

Breast, Carcinoma of the, 801; Lymphedema of the Arm following Radical Mastectomy for Carcinoma of, 816.

Breidenbach, Lester: The Stader Reduction Splint, 623.

Brewer, Lyman A.: Chest Injuries, 668.

Bronchus, Closure of the, Following Total Pneumonectomy, 481.

Burch, John C.: An Experimental Approach to the Problem of Menstrual Disorders, 604.

Burns, Immediate Skin Grafting in the Treatment of, 445; Major and Minor, A Practical Concept for the Treatment of, 641.

Burton, Claude C.: Sliding and other Large Bowel Herniae, 394.

Buschenhenke, Gerard: A Neurosurgical Headrest, 954.

C

Calcified Unilocular Cyst of the Spleen, 933.

Campbell, Eldridge: Studies on the Use of Metals in Surgery, Part II, 763.

Cancer of the Cervical Esophagus, 86; of the Gastro-intestinal Tract, Metabolic Studies in Patients with, 924; of the Rectum, Urologic Complications of, 6; Carcinoma of the Breast, 801; Of Breast, Lymphedema of the Arm following Radical Mastectomy for, 816; Of the Cervix Uteri as a Cause of Pathologic Central Dislocation of the Hip, Invasion of the Bony Pelvis by, 1; Of the Cystic Duct, Common Duct Obstruction Due to Primary, 141; Of the Duodenum, Primary, 738; Of the Rectum, The Lymphatic and Venous Spread, 200.

Cardiocirculatory Dynamics in Surgical Shock, 127.

Cardiopulmonary Function in Adult Patients, The Effect of Pneumonectomy Upon, 532.

Caylor, Harold D.: Arteriovenous Fistula, 470.

Chafee, John S.: Postmortem Peritoneoscopy, 843.

Chest Injuries, 668.

Child, Charles G.: Noninfective Gangrene Following Fractures of the Lower Leg, 721.

China's Health Problems, 960.

Cholecystectomy with Drainage, 928.

Christopher, Frederick: Hemangioma of the Ileum, 945.

Christy, C. J.: Malignant Teratoma of the Arm, 948.

Churchill, Edward D.: Transthoracic Resection of Tumors of the Esophagus and Stomach (Case Reports), 566.

Clammer, George R.: Atresia of the Duodenum, 334.

Clavicle Fracture Treated with Skeletal Traction, 950.

Closure of the Bronchus Following Total Pneumonectomy, 481.

Colon and Rectal Surgery, The Increasing Usefulness of the Devine Colostomy in Left, 913.

Common Duct Obstruction Due to Primary Carcinoma of the Cystic Duct, 141.

Comparison of the Results of Roentgen Rays, Sulfanilamide and Serum Therapy in Experimental Gas Gangrene in the Pigeon, 713.

Complicated Case of Aneurysm Involving the Iliac and Femoral Arteries, 708.

Compresses, The Use of a Lamp to Warm Moist, 776.

Control of Hair and Feather Pigmentation as Revealed by Grafting Melanophores in the Embryo, 598.

Cooper, Frederick W., Jr.: Immediate and Late Results of Perforation of Peptic Ulcer, 194.

Cournand, André: The Effect of Pneumonectomy upon Cardiopulmonary Function in Adult Patients, 532.

Cox, Marcus E.: Myo-epithelial Hamartoma of the Ileum with Intussusception, 355.

Cruveilhier-Baumgarten Syndrome (Splenomegaly, Portal Hypertension and Patent Umbilical Vein), 860.

Cyst of the Liver, Solitary Nonparasitic, 751; Peritonitis Due to Perforation of an Infected Urachus, 154; Of the Spleen, Calcified, Unilocular, 933; Of the Spleen, Hemorrhagic, 103.

Cystostomy, Siphon Drainage for Superapubic, 159.

Cysts, Pilonidal, and Sinuses: A Method of Wound Closure, 687.

INDEX TO VOLUME 116

D

Denervation Limited to the Blood Vessels of the Leg and Foot, Sympathetic, 476.

DENNEEN, EDWARD V.: Hemorrhagic Cyst of the Spleen, 103.

Devine Colostomy, The Increasing Usefulness of, in Left Colon and Rectal Surgery, 913.

Dislocation of the Hip, Invasion of the Bony Pelvis by Carcinoma of the Cervix Uteri as a Cause of Pathologic Central, 1; Of the Lower End of the Ulna, So-called, 282.

DOBRZANIECKI, WLADYSLAW: Meningocele Spinalis Traumatica Spuria, 150.

DOLLEY, FRANK S.: Chest Injuries, 668.

DOWDLE, EDWARD: Multiple Primary Nonspecific Jejunal Ulcers, with Chronic Duodenal Dilatation, 348.

Drainage and Wound Closure Technique in Appendicitis Operations, 435.

DUCKETT, J. W.: Intestinal Obstruction in the Newborn, 321.

Duct, A Study of the Bacteriology of the Common Bile; in Comparison with the other Extrahepatic Segments of the Biliary Tract, 360; Obstruction Due to Primary Carcinoma of the Cystic Duct, Common, 141; Spontaneous Rupture of a Normal Hepatic, 137.

Duodenal Dilatation, Chronic; Multiple, Primary, Nonspecific Jejunal Ulcers with, 348; Tumor of Unusual Character, 864.

Duodenum, Atresia of the, 334; Primary Carcinoma of the, 738.

E

Effect of Pneumonectomy upon Cardiopulmonary Function in Adult Patients, 532.

"Effort Thrombosis," Its Relation to Thrombosis and Gangrene of Right Arm associated with Polycythemia Vera, 184.

EGER, SHERMAN A.: Spontaneous External Biliary Fistula, 931.

EISAMAN, JACK L.: Arteriovenous Fistula, 470.

EITZEN, OLIVER: Multiple Atresia of the Small Intestine, 337.

ELDER, J. R.: Invasion of the Bony Pelvis by Carcinoma of the Cervix Uteri as a Cause of Pathologic Central Dislocation of the Hip, 1.

Electro-encephalographic Diagnosis of Subdural Hemorrhage, 452.

ELKELES, GERARDO: A Study of the Bacteriology of the Common Bile Duct in Comparison with the other Extrahepatic Segments of the Biliary Tract, 360.

Embolism, Recent Experiences with Thrombophlebitis of the Lower Extremity and Pulmonary, 574.

Embryo, The Control of Hair and Feather Pigmentation as Revealed by Grafting Melanophores in the Embryo, 598.

EMERSON, G. V.: Traumatic Arteriovenous Fistula, 942.

ENGEL, W. J.: Pheochromocytoma with Hypermetabolism, 61.

ERB, WILLIAM H.: A Comparison of the Results of Roentgen Rays, Sulfanilamide and Serum Therapy in Experimental Gas Gangrene in the Pigeon, 713.

Esophagus, Cancer of the Cervical, 86.

EVANS, EVERETT I.: A Study of the "Shock-Delaying" Action of the Barbiturates, 658.

EVERETT, CLYDE: Peritonitis Due to Perforation of an Infected Urachus Cyst, 154.

Expansion Reamer, 957.

Experimental Approach to the Problem of Menstrual Disorders, 604.

Extradural Hemorrhage in the Anterior Cranial Fossa, 821.

Extralaryngeal Division of the Recurrent Laryngeal Nerve, 251.

F

Fellowships, Announcement of, in Medicine and Public Health, 597.

Femoral and Iliac Arteries, A Complicated Case of Aneurysm Involving the, 708.

FERRER, JOSE M.: Primary Abscess of the Liver due to Anaerobic Nonhemolytic Streptococcus, 217.

Filtration, The Preparation of Nonpyrogenic Infusion and other Intravenous Fluids by Adsorptive, 412.

FINE, JACOB: Recent Experiences with Thrombophlebitis of the Lower Extremity and Pulmonary Embolism, 574.

FINESTONE, EDWARD O.: Urinary Extravasation (Periurethral Phlegmon), 109.

FISHER, A. MURRAY: Duodenal Tumor of Unusual Character, 864.

Fistula, Arteriovenous, 470; Spontaneous External Biliary, 931; Traumatic Arteriovenous, 942.

Foot and Leg, Sympathetic Denervation Limited to the Blood Vessels of the, 476.

Forceps, A New Rectosigmoidal Biopsy, 637.

Fossa, Extradural Hemorrhage in the Anterior Cranial, 821.

Fracture, Clavicle, Treated with Skeletal Traction, 950.

Fractures of the Lower Leg, Noninfective Gangrene Following, 721; Of the Olecranon, The Treatment of, by Longitudinal Screw or Nail Fixation, 293.

FRANK, HOWARD A.: Recent Experiences with Thrombophlebitis of the Lower Extremity and Pulmonary Embolism, 574.

G

GALLAGHER, PAUL: Calcified Unilocular Cyst of the Spleen, 933.

Gangrene and Thrombosis of Right Arm, Associated with Polycythemia Vera: Its Relation to "Effort Thrombosis," 184; Following Fractures of the Lower Leg, Noninfective, 721.

GANNON, JAMES, JR.: Closure of the Bronchus Following Total Pneumonectomy, 481.

GARLOCK, JOHN H.: Regional Ileitis, 906.

Gastrectomy in the Treatment of Gastroduodenal Ulcer, Recurrent Ulceration Following Subtotal, 729.

Gastro-intestinal Tract, Metabolic Studies in Patients with Cancer of the, 924.

GAULT, JOSEPH T.: Production of a Thrombotic Barrier in the Treatment of Varicose Veins, 271.

GERRIE, JOHN W.: A Practical Concept for the Treatment of Major and Minor Burns, 641.

GIBBONS, MARJORIE M.: A Simple Method of Plasma Protein Estimation, 426.

GINZBURG, LEON: Regional Ileitis, 906.

Gland, Adenolymphoma of the Parotid, 43.

GLASER, MARK ALBERT: The Electro-encephalographic Diagnosis of Subdural Hemorrhage, 452.

GLOVER, D. M.: Multiple Atresia of the Small Intestine, 337.

Goiter, Mediastinal, 795.

GORDIMER, HARRY: Postoperative Thrombo-embolization, 175.

GOTTSCHALK, ROBERT: A Neurosurgical Headrest, 954.

GRACE, EDWIN J.: Control of Massive Esophageal Hemorrhage Secondary to Liver Damage (Cirrhosis) by Ligation of the Coronary Vein and Injection of Sodium Morrhuate, 387.

Grafting in the Treatment of Burns, Immediate Skin, 445.
